

MEDICATION DISPOSAL DAY

"The largest source of pharmaceutical byproducts in our drinking water comes from the improper disposal of unused medications flushed down the drain."

Keep Cobb Beautiful and Kaiser Permanente of Georgia, are offering another Medication Disposal Program for the public.

This is an opportunity for residents of Cobb to safely dispose of outdated or unused over the counter and prescription medications. Staff and law enforcement personnel will be at this location to collect medications and properly dispose of them in compliance with Federal law. Medicines do not have to be removed from their containers or labels removed to assure privacy. Everything collected will be immediately sealed in boxes and destroyed.

Items accepted will be: liquid and pill form medications, sharps and needles, diabetes materials, catheters, tubing, etc. No durable medical equipment (CPAP, nebulizers, etc.). Nothing will be accepted at this address or by any Cobb County staff person before or after the scheduled drop off day.

10am – 2pm (This Day Only!)

Saturday, March 17, 2012

Precinct 1, Superstation 8

2380 Cobb Parkway NW, Kennesaw GA 30152
